6 Choose a recent tax year to verify your identity. Please note, the "Tax Year for Verification" will be the most recent tax return the IRS has processed, which may not be the same year you are making the payment for. If you enter the current year and it does not work, try entering the year prior.

7 Enter the filing status for the tax year you chose in the previous step.

8 Enter your first and last name. If you are married, this should be the first person listed on your tax return.

Step 2 of 5

All fields with * are required.

Verify Identity

Direct Pay verifies your identity using information from your 1040 filing history. Please provide the following information from a 1040 tax return you filed for one of the years listed in the Tax Year for Verification drop down menu.

Note: the Tax Year for Verification you enter here does not have to match the tax year for your payment.
